June 11 at City Hall, 9 am to 3:30 pm

Sustaining Nature And Your Land

SNAYL Day

Whether you own a 1/4 acre or 100 acres, your land can be habitat for an amazing assortment of native plants and animals. Join us for a fun and enlightening day at the fifth annual Sustaining Nature and Your Land Day (SNAYL Day). SNAYL Day is an outreach of Monroe County - Identify and Reduce Invasive Species (MC-IRIS) to help landowners gain the knowledge and skills to create resilient native habitat that is free of invasive species.

Get a \$5 coupon for native plants sold at the Farmers' Market!

Visit MC-IRIS.org for more details on the speakers, exhibits, and hikes.
